Planning and Development

City of Las Vegas

RE: Pre- Application Conference

Dear sirs

This letter is for the intent of installing a 1000 gallon propane filling station at Funny's # 2 located at 3550 N. Rancho. In the City of Las Vegas we plan to install a propane filling station at the above address this will require a 1000 gallon tank. We will need this special use permit to install said tank in the city of Las Vegas Code # 3229 requires any tank over the 288 gallon.

Thank You.

A handwritten signature in blue ink, appearing to read "Kevin L. Owen", is written over the "Thank You." text.
